**About Us**

Welcome to the National Childbirth Trust (NCT)

We are the leading charity for pregnancy, birth and parenting in the UK. Every year we support thousands of people through this incredible life-changing experience, offering relevant

information, reassurance and mutual support.

We are a membership charity with over 60,000 members across the UK. Our strength comes from the dedication of our volunteers, who work through our network of branches to provide and support local services, training and evidence-based information for parents, families and health professionals. We are trusted and respected by health professionals and governments as an organisation that represents the needs of parents.
