About Us

This website allows you to search for sports facilities any where in England by a number of different ways. You can browse an interactive map of the country, search for facilities in your local area, use the name and address of a specific facility to find out more information. Please be aware that this is the first stage in an ambitious project - we have collected information on over 50,000 facilities already such as: Swimming Pools, Health & Fitness Centres, Sports Halls, Golf, Synthetic Turf Pitches, Ice Rinks, Ski Slopes, Grass Pitches, Athletics Tracks, Indoor Bowls and Indoor tennis. Currently we hold the locations and details for eleven different facility types, and this information is being constantly checked. If the facility type you require isn't part of the site yet please bear with us. We will introduce other facility types at later date but can only collect so much information at once.
