#### About Us

We are an active parent led support group with around 150 members. Our aim is to enhance the lives of people with Downs Syndrome, their families and care givers in Bristol, Bath and surrounding area. We organise and run events for all ages from new born to young adults. We are also willing to share our experiences and knowledge, we are confident one of us will be able to offer help. This ranges from the simple help and reassurance of bring up children to helping get access to and resources from health and education Professionals and local Authorities.
