### More About The Organisation

#### » Organisation Details

**About Us**

Acoustic Arts promotes outdoor play and environmental awareness amongst children and young people of all abilities.

In addition to it's training and project work, the group supplies outdoor musical instruments suitable for permanent installation in schools, nurseries and children's centres. The instruments are hand-built from recycled and industrial materials and are precisely tuned. Their robust and accessible design encourages the development of listening and musical skills, physical

coordination, creativity and social interaction.

## » Opening Times
