#### About Us

Providing a short break for a child/young person with a disability can be very rewarding.

Share the Care (previously Family Link) carers provide regular short breaks to disabled children/young people including those with learning difficulties, Autism and physical impairments. This type of fostering offers a long term relationship with a child/young person and their family. It suits people who can offer short breaks and who feel positive about disabled children/young people.

» Opening Times

Are you open during term time?

Are you open during school holidays?

### Opening Times
