About Us

The Lullaby Trust provides specialist support for bereaved families and promotes expert advice on safer baby sleep.

Working with the NHS we run a national health-visitor led service for bereaved parents, Care of Next Infant (CONI) programme, which supports families before and after the birth of their new baby.

We are committed to supporting research to understand why babies die suddenly and unexpectedly and to find out more about how to prevent these tragic deaths.

The Lullaby Trust also runs an information line for parents and professionals (0808 802 6869) and a dedicated line for bereaved families (0808 802 6868). Both are free to call from landlines and mobiles.

We campaign tirelessly, lobbying government to keep sudden infant death on the public health agenda.
