About Us

At Bristol Musicspace, we provide music therapy sessions for children, young people and

adults with a wide range of needs. We have a centre in Southville, in south Bristol but we also work all over Bristol, Bath, North Somerset and Gloucestershire in a number of settings including children's centres, schools, day centres and at the Children's Hospital. Music therapy can help if you experience difficulties with communication or want the chance to be able to express yourself in a creative way.
