About Us

We are a Secondary school for ages 11-18. Compulsory GCSE subjects for 11-16 years are English, maths and science. Other subjects are offered. Religious education and sex education

are taught but students can choose to remove their child from these subjects. Ages 17-18 study AS and A2 subjects as well as the chance to study VCE's. There is a range of after-school activities. The council provides free transport and free school meals if students meet the council requirements.
