About Us

All libraries have a broad range of fiction and no fiction books for all ages. They all provide a lending, requests and reservations service. They also have a variety of activities (such as children's story time) newspapers, audio and visual materials such as cd's and dvd's. They have a range of electronic resources such as photocopying and computers. While all libraries generally provide such activities and facilities it is worth checking to see what your local one offers.
