About Us

We are a Roman Catholic secondary school which has recently obtained specialist status in maths and computing. Our pupils are aged 11-16 and many go on to St. Brendan's, our sixth form partner college. Pupils study the National Curriculum at Key Stage 3 and have the opportunity to participate in a range of extra curricular activities. At Key Stage 4 pupils study the core subjects as well as the optional choices they have made. At St. Bernadette's we place

great emphasis on the value of the individual and also of the school community. We strive to provide opportunities for all pupils to do their best and be happy in what they do.
