About Us

A Child of Mine - Is a resource centre to support anyone affected by the death of a child, with information, guidance and support from people who DO understand. We offer information on all aspects of losing a child, from the practicalities of what happens when your child dies to arranging a funeral, advice for siblings and how to survive as a couple during your grief.

A Child of Mine also includes a comprehensive list of support groups by region, together with all the major National Organisations across the country who give support and counselling after the death of a child.
